

WJEC Children's Care, Play, Learning and Development Level 2

In a nutshell

This course will develop your skills in caring for children. You'll study units on childcare practice, growth and development, health and safety, play and creative activities, linking to current legislations.

This course is for you if...

- ... You want to work with children and young people
- ... You want to take further qualifications in a related discipline
- ... You want to build on existing knowledge and skills in childcare.

What will I be doing?

Throughout this course, you'll build the knowledge and skills needed for working with children and young people from birth to 19 years of age. It covers a diverse range of job roles and

occupational areas, preparing you for work in children's settings, including the early years and social care.

The course is a combination of theory and practice. You'll spend three days per week in college developing the knowledge and theoretical elements of the qualification, and two days per week in a work placement (plus block placements where required) gaining hands-on experience working with children and young people.

The course will develop subject knowledge and you'll be assessed on various competencies of the Theory and Practice. A large part of the assessment takes place in your work placement and end of year exam.

Upon completion of the course, you'll gain the following qualifications:

Level 2 Children's Care, Play, Learning and Development - WJEC/City & Guilds
Level 2 Core
Level 2 Theory and Practice
Maths and English

You'll also achieve other relevant qualifications to enhance your skill set such as:

Food hygiene
Pediatric First Aid

What is expected of me?

You'll be expected to commit to 5 days of study each week, which includes both the teaching sessions covering the knowledge element of the qualification in college, as well as work placement days/blocks covering the competency element of the qualification.

Full commitment to attendance is required, as is respect for others, enthusiasm for the subject, self-motivation and a passion for the care/ childcare industry.

You'll be continually assessed throughout the course and there is an expectation that you'll continue your studies and coursework/work placement during your own time.

What comes next?

Following completion of this course, you'll be able to progress onto Level 3 Children's Care,
