

Blowdrying

In a nutshell

Learn how to create volume and smooth, frizz-free hairstyles using blow drying and styling techniques, using the right hair tools and styling products to give your blow dry that 'walk-out-of-the-salon' look.

This course is for...

...beginners with an interest in blow drying, styling and finishing hair. ...existing hairdressers looking to update their skills.

Course content

The course covers:

Health & Safety
Hair and scalp analysis
Shampoo and condition

COURSE INFORMATION LEAFLET

Product recommendation
Aftercare and price guidance
Demonstration of various drying techniques

Drying techniques include the use of tongs, straighteners and curling wands. You will practice on long and short hair heads or live models if preferred.

You'll be assessed informally, with verbal feedback from your tutor in the classroom, and after this course you could go on to other non-qualification courses or a qualification-based hairdressing course.

Entry Requirements

There are no formal entry requirements, just an interest in the subject.

Additional information

We'll supply materials such as head blocks and stands, but you'll need to buy your own brushes and combs which can be purchased in your first session and cost around £10.00. You may wish to bring your own brushes and combs, and might prefer to wear an apron.
