

NCFE CACHE Certificate for Advanced Practitioners in Schools and Colleges Level 4

In a nutshell

This course is the NCFE CACHE L4 Certificate for the Advanced Practitioner in Schools and Colleges.

The qualification aims to provide professional development opportunities for practitioners working in the school and college workforce. This qualification will enhance your wealth of experience, proven knowledge and skills in a teaching and learning environment. It will challenge you in both daily practice and theoretical understanding.

This course will help you to acquire and use skills of leadership, mentoring, coaching and reflection as you complete the qualification through work-based learning opportunities.

This course is for...

...those who are employed in suitable roles within schools or colleges. Learner knowledge and

COURSE INFORMATION LEAFLET

understanding that comes from working in schools or colleges is a requirement for this CPD qualification.

...those already working in a relevant setting, such as a school or college.

...those who are enthusiastic and keen to develop their skills through taught units and self-led study.

Course content

This qualification has 5 mandatory units which will be studied during the course. You will be expected to successfully complete all 5 within the timeframe of the course. These are:

Enabling individuals to learn

Understanding how to support children and young people to improve their mental health and wellbeing

Working with others to support individuals with additional needs/disability in a school or college setting

Working with families and other professionals in a school or college setting

Implementing change in school or college settings

Units will be internally assessed using a range of methods which could include:

Direct observations by a tutor/teacher or assessor within the workplace

Written assignments and professional discussions in line with the assessment of learning provided for each unit.

Upon achievement of this qualification, you will be equipped as an Advanced Practitioner. The Advanced Practitioner will use crucial leadership skills to mentor others across all roles and responsibilities in the school or college workforce such as:

Higher Level Practitioner/Teaching Assistant

Internal progression at a higher level, including those with management responsibilities

Leadership, mentoring, supervision and management opportunities

Entry Requirements

You must be at least 18 years old and employed in a suitable role within a school or college. Previous Level 3 study is a clear advantage but wealth of experience, knowledge and
