COURSE INFORMATION LEAFLET

This course covers a variety of additional knowledge and skills to help you progress as a self-employed or employed personal trainer with specialisms in outdoor fitness and sports conditioning. The content reflects the competencies needed to become a safe and effective personal trainer.

The aim of this qualification is to recognise the skills, knowledge and competence required for an individual to work unsupervised as a personal trainer. This includes being able to offer one-to-one training, baseline assessment, nutritional advice and progressive programming which is specific to the individual needs of a client.

The course will cover:

- Applied anatomy and physiology
- Promote wellness through client motivation and interaction
- Bespoke exercise programme design
- Customised exercise programme instruction and communication techniques
- Nutrition to support physical activity
- Business acumen for Personal Training Practice

Assessment will take place through a variety of methods, including:

Multiple choice theory paper, assessment workbook, personal training showcase portfolio (5 elements) and completing a learner log.

In addition, you will also achieve:

- Level 2 Award in Group Exercise Instructing: Fitness Walking
- YMCA Level 2 Award in Instructing Kettlebell Training

Entry Requirements

To take this course you'll need to already have a valid Level 2 Certificate in Gym Instructing.

Additional information

Once completed, you can use this qualification as a platform to move on to other courses in the health and fitness or active leisure sectors.
