

YMCA Award in Instructing Kettlebell Training Level 2

In a nutshell

The aim of this qualification is to provide the learner with the skills required to plan, prepare and instruct kettlebell training, making the activities imaginative, progressive and effective.

This qualification is endorsed by the Chartered Institute for the management of sport and physical activity (CIMSPA).

This course is for...

... those who already have knowledge and skills in fitness instruction

... those who want to deliver training at a professionally competent level and to plan and deliver safe and effective kettlebell sessions.

Course content

This course is made up of two units:

COURSE INFORMATION LEAFLET

Planning kettlebell training session
Instructing kettlebell training sessions

Elements of the course include:

- Understand the history and origins of kettlebell training
- Understand the benefits of kettlebell training
- Understand health and safety considerations for kettlebell training
- Understand how to incorporate kettlebell training into resistance sessions
- Be able to plan kettlebell training sessions
- Be able to prepare for kettlebell training sessions
- Be able to instruct kettlebell training
