

## AAT Unit Tax Processes for Businesses Level 3

### In a nutshell

The AAT Level 3 Diploma in Accounting offers technical training in accounting and is ideal for anyone wishing to pursue a career in accountancy or finance.

The unit that you are purchasing here is Tax Processes for Businesses unit of the AAT level 3 Diploma in Accounting.

This unit explores tax processes that influence the daily operations of businesses and is designed to develop students' skills in understanding, preparing, and submitting Value Added Tax (VAT) returns to HM Revenue and Customs (HMRC). The unit provides you with the knowledge and skills that are needed to keep businesses, employers and clients compliant with laws and practices that apply to VAT and payroll. You will learn about legislation and the importance of maintaining their technical knowledge through monitoring updates.

For VAT, students will understand the registration and deregistration rules, including signing up for Making Tax Digital (MTD), and the rules relating to specialist VAT schemes. You will be able to recognise different types of supplies and calculate VAT correctly, understanding the importance of the rules relating to the recovery of input VAT and the sanctions and penalties for inaccuracies, omissions and failure to make submissions and payments within the correct

## COURSE INFORMATION LEAFLET

timescales. You will be able to verify the accuracy of the calculations, invoices and tax points, and will learn about the correction of errors. When learning about the content of the VAT return, you will understand how to apply special rules when goods and services are imported and exported out of the UK and the European Union (EU), and how to extract the appropriate data to complete VAT returns.

In relation to payroll, you will understand the processes for businesses involved in calculating pay and deductions and the content of documents and reports produced on software, along with the timescales for submission and payment.

This is a roll-on / roll-off course with flexible start dates. We recruit students all year round.

This is also a blended learning course (a mix of traditional in-person with a teacher in a classroom and learning activities using digital technologies, from home).

This course is progression from Level 2 Foundation Certificate in AAT and will enable you to gain further skills to progress within the accountancy field.

### **This course is for...**

... You have completed the AAT Level 2 Foundation Certificate in Accounting

... You want to further your skills and knowledge in the accountancy field
