

CITB Site Management Safety Training Scheme - Refresher (SMSTS-R)

In a nutshell

This course is for candidates who have previously passed the full Site Management Safety Training Scheme or subsequent refresher course and can provide proof of attendance.

It aims to bring health and safety knowledge up to date, as well as giving a thorough overview of legislative changes and their impact in the workplace.

This course is for...

...anyone currently holding a valid Site Management Safety Training Scheme certificate that is due to expire.

Course content

This 2-day course provides an opportunity to revisit the wide range of topics from the 5-day course, including:

COURSE INFORMATION LEAFLET

Site set-up
CDM Regulations
Risk assessments
Method statements
Scaffolding
Electricity
Excavations
Demolitions
Confined spaces.

You'll be assessed on your participation throughout the course, including a 25-question exam with multiple choice questions and short written answers.

Full attendance of the 2 days is mandatory.

On successful completion, you'll receive a certificate valid for 5 years.

Entry Requirements

Candidates must hold a Site Management Safety Training Scheme certificate that is valid for the duration of the training.

Candidates must be competent in written and spoken English necessary for operating efficiently at site management level.

Additional information

The standard cost for this course is £390.

This course is also available as part of a Personal Learning Account (PLA). PLA is an initiative from the Welsh Government which offers people the chance to access free, part-time courses with flexible and convenient learning that fits around their existing lifestyle (subject to eligibility). If you are aged over 19, living in Wales, in employment and earning less than £30,596 a year and wish to apply for this course as part of the PLA initiative please use the link below to apply:
