

CompTIA CompTIA Network+ (N10-009)

In a nutshell

CompTIA is the world's largest vendor-neutral IT certification body. If you wish to fast-track your career towards IT infrastructure, then achieving your CompTIA Network+ certification is essential.

This CompTIA Network+ course is internationally recognised by employers, making it the ideal qualification for candidates who are working towards a career in the IT or Cyber Security sector, as well as individuals who are already working as IT professionals and want to keep their knowledge of networking up-to-date.

This course is available as part of a Personal Learning Account (PLA). PLA is an initiative from the Welsh Government which offers people the chance to access free, part-time courses with flexible and convenient learning that fits around their existing lifestyle (subject to eligibility).

This course is for...

studentrecruitment@coleggwent.ac.uk | 01495 333777 (Croesawn alwadau yn Gymraeg)

COURSE INFORMATION LEAFLET

... anyone aged 19+, living in Wales and in employment. The usual salary limit of £32,371 does not apply to this course.

... any IT professional who is looking to specialise in networking and open a new avenue of their career in IT networking or support.

Course content

This course is delivered by virtual classroom. Virtual classrooms are equivalent to face-to-face classroom courses, but delivered in an online environment.

Course Duration: 5 days

The Official CompTIA Network+ course covers the following:

- Networking Concepts
- Infrastructure
- Network Operations
- Network Security
- Network Troubleshooting and Tools

Entry Requirements

You will need CompTIA A+ certification and a minimum of 9-12 months of hands-on experience working in a junior network administrator/network support technician job role.

You will need access to internet, a windows computer and webcam/microphone

Additional information

The PLA programme intends to provide quality career advice and guidance to participants before, during and after their learning.

Prior to being enrolled onto your PLA funded course, a individual learning plan will be discussed with you to ensure that the right learning has been considered.

This will include a general discussion on the following topics:
