new cell growth and turnover, for more radiant, younger-looking skin. A natural blend of acids and enzymes, skin peels exfoliate your skin and kick-start cell turnover; this means removing the dead cells from the top layer and encouraging new cell growth, revealing the newer, smoother skin beneath. Peels also stimulate collagen and elastin production to help reduce the appearance of fine lines and wrinkles.

The course includes:

- Health and Safety
- Treatment Planning
- Classification of Peel types
- Providing Skin Peeling treatments
- Anatomy, physiology and pathology
- Consultation and Aftercare

Assessment is through practical and theory examinations and clinical case studies and you will be awarded the VTCT Level 4 Award in Skin Peeling.

On completion of this course you can progress onto other Level 4 and 5 courses including:

- Level 4 Award in Dermaplaning
- Level 4 Award in Skin Needling
- Level 4 Award in Radio Frequency
- Level 4 Award in Microblading Eyebrows

Entry Requirements
