

VTCT Non-Medical Aesthetics Level 4

In a nutshell

This is an advanced therapy course designed for qualified Level 3 Beauty Therapists who wish to add to their repertoire of treatment offerings.

This course is for...

- ...those who are qualified up to Level 3 Beauty Therapy
- ...those aged 18 and over
- ...you if you want to add to your treatment portfolio
- ...you if you have an interest in non-medical aesthetics

Course content

You will complete the following qualifications during the course:

COURSE INFORMATION LEAFLET

VTCT/ITEC Level 4 Certificate in Skin Peeling
VTCT/ITEC Level 4 Award in Skin Needling
VTCT/ITEC Level 4 Award in Dermaplaning
VTCT/ITEC Level 4 Award in Radio Frequency
VTCT/ITEC Level 5 Award in Skin Peeling Treatments

To be awarded these qualifications, you must successfully achieve the following assessments:

Portfolio of Evidence
Case Studies and Assignments (you will be required to provide clients for case studies)
External examinations - written and practical

The qualifications are graded as Pass, Merit or Distinction and you will be allocated a personal tutor for the duration of the course for personal and academic support and guidance.

You can progress to employment or to Level 5 Aesthetics courses.

Entry Requirements

Level 3 Beauty Therapy qualification or equivalent
Aged 18 and over

Additional information

You will be required to wear a full clinic uniform with appropriate footwear and meet the expectations of the awarding organisation. Attendance to all lessons is essential.

There are no course fees but you will be required to pay for VTCT registration which is £450.00. This can be paid in full at the start of the course or over 5 instalments of £90.00 per month. This will be arranged with you at the point of application and enrolment.
