

Foundation Degree Biomedical Science

This course is for you if...

You are interested in a career in Biomedical Sciences within a variety of organisations such as NHS, government and private laboratories, including hospitals, NHS Blood and Transplant services and UK Health Security Agency laboratories. Biomedical scientists can progress to other roles within healthcare science specialising in quality, safety, laboratory management, or in the wider pharmaceutical and healthcare science sector.

What comes next?

On successful completion of L5 (Year 2) you will receive a certificate in HE. You will be given the opportunity to then apply for the L6 (Year 3) degree course in Biomedical Science (or other relevant courses) at Cardiff Met, or other HE providers.
