Coleg Gwent

Annual Report on the Welsh Language Standards

1st August 2023 – 31st July 2024

January 2025

Introduction

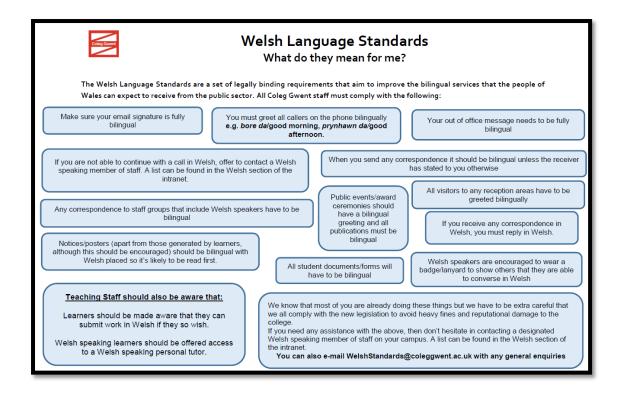

Coleg Gwent's Welsh Language Standards Annual Report outlines the college's adherence to the Service Delivery Standards, Policy Making Standards and Operational Standards during the reporting period. The Welsh Language Standards have replaced the Welsh Language Scheme at the college, establishing clear expectations for both our bilingual services and the internal use of the Welsh language.

On 29th September 2017, Coleg Gwent received a Final Compliance Notice from the Welsh Language Commissioner, which outlined the college's responsibility to comply with 182 statutory Welsh Language Standards set by the Welsh Government under the Welsh Language (Wales) Measure 2011. Coleg Gwent successfully contested six of these standards—three Service Delivery Standards (Standards 55, 58, and 59) and three Operational Standards (Standards 128, 131, and 133)—resulting in a revised Imposition Date of 1st October 2019 for these standards. Additionally, in August 2019, the college secured an extension for Standards 55, 58, and 59 (which pertain to the new website) until 16th December 2019.

Since 1st October 2018, the college has fully complied with all 182 standards, making the consideration of Welsh Language Standards an integral part of our daily operations.

Compliance with the Service Delivery Standards

A document is shared with staff entitled "Welsh Language Standards: What do they mean for me?" All Coleg Gwent staff are aware that they must comply with the standards.

Below is an update of how Coleg Gwent complied with the applicable Service Delivery Standards between the 1st of August 2023 and the 31st of July 2024.

Staff Training

Coleg Gwent participates in the Coleg Cymraeg Cenedlaethol's *Work Welsh FE* project, which aims to upskill lecturers in using Welsh in their teaching. In the 2023-24 academic year, 20 staff members took part in the project, with more than half of them building on their progress from the previous year.

By July 2024, a total of 101 teaching staff had completed Sgiliaith's Embedding the Welsh Language training, enabling them to provide a more bilingual education for students. In addition, staff in various roles have participated in further remote Sgiliaith training, with three individuals receiving one-to-one mentorship.

Monitoring Compliance

The Welsh/Bilingual Team continues to collaborate closely with senior managers, providing advice on how to comply with the Welsh language standards. They also hold regular informal meetings with key staff members, including heads of curriculum, marketing, HR, and Welsh-speaking staff.

Random internal checks are carried out on signage, voicemail messages, and other key areas, including regular Mystery Shopper-style exercises. These exercises assess the college's services, focusing on face-to-face interactions with reception staff, as well as phone and online inquiries.

The results of the latest external audit, conducted in 2023, showed that the college was fully compliant in all areas. Our internal audits reviewed events and ceremonies, with the bilingualism team attending and providing strong evidence of compliance. A few areas for improvement were identified and shared with the relevant managers.

Audit findings are communicated to relevant managers and staff, highlighting areas of strength. Where non-compliance is identified, further training and guidance are arranged.

The college also has a Welsh Language Steering Group, co-chaired by the Bilingual Development Manager and the Head of Bilingualism and Community Learning. This management group meets once per term to discuss updates on the Welsh Language Standards, review Mystery Shopper results, and address other Welsh/Bilingual matters.

Staff Welsh Language Skills

On the 31st of July 2024, a total of 80 members of staff (7%), could speak Welsh fluently or at an advanced level.

The following table provides further details of staff levels of spoken and Welsh in July 2024. The Welsh language levels of staff working for Learn Welsh Gwent are included.

Level of Welsh	Welsh Oral (number of staff)	Welsh Oral (%)
None	454	38
Very Basic	334	28
Basic	263	22
Intermediate	35	3
Advanced	12	1
Fluent	68	6

A range of opportunities are promoted to all members of staff to improve their Welsh language levels. Due to new provision and opportunities to upskill at the college, the numbers of staff moving up the levels of fluency should continue to increase.

Recruiting to New and Vacant Posts

Between the 1st August 2023 and 31st of July 2024 the number of new and vacant posts that Coleg Gwent advertised which were categorised according to various requirements in respect of Welsh Language Skills, are as follows:

- Desirable 44
- Essential 5
